

IBM Bob: Trial Setup and Installation Guide

Open your browser and navigate to <https://bob.ibm.com>.

Click the "Get free trial" button.

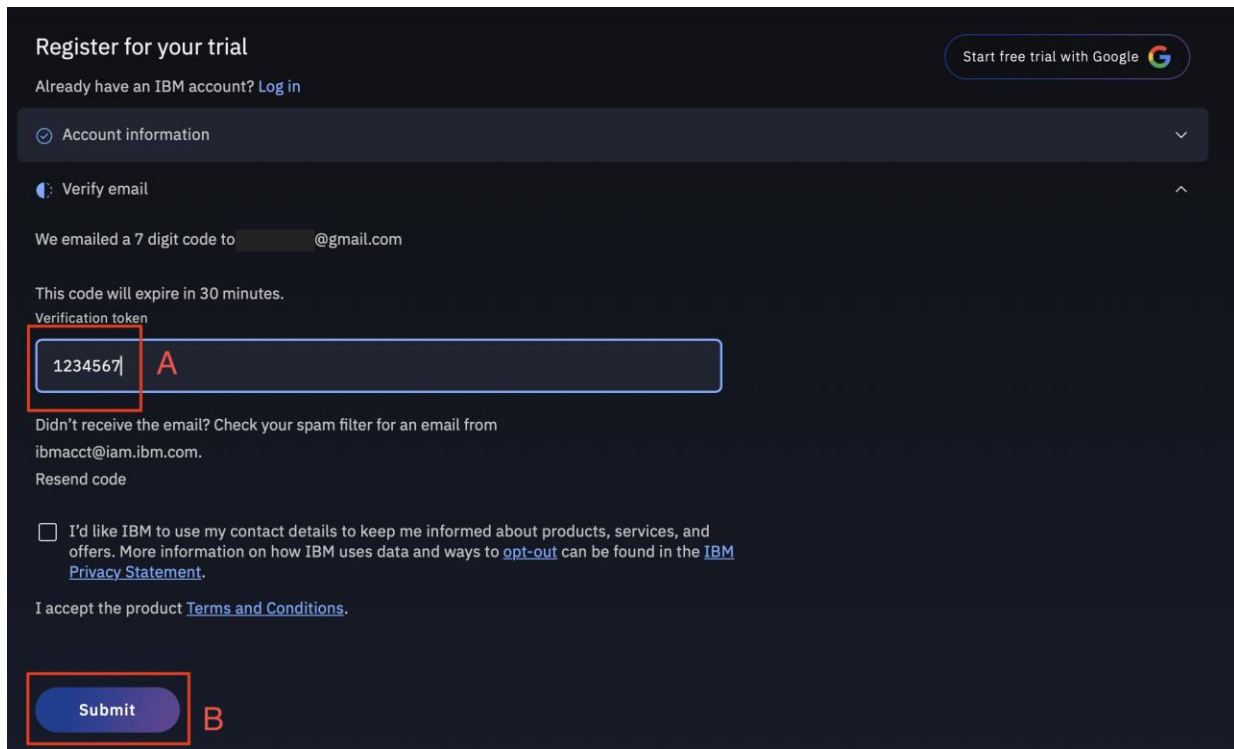

You will be redirected to the registration page. Enter your account details in the required fields (A) and click Next (B).

The screenshot shows the 'Start Your Free Trial' registration page. At the top, there is a navigation bar with links for 'IBM Bob', 'Pricing', 'Docs', and 'Enterprise'. On the right side of the navigation bar are icons for a clock, a globe, a 'Download' button, and a 'Login' button. The main content area features a central heading 'Start Your Free Trial' with the subtext 'Experience the full power of IBM Bob: Get 40 Bobcoins for 30 days'. Below this, there is a 'Register for your trial' section. This section includes a link 'Already have an IBM account? Log in' and a button 'Start free trial with Google'. Below these, there is a section labeled 'Account information' (marked with a red 'A'). This section contains several input fields: 'Email' (with a dropdown arrow), 'Password' (with a strength indicator), 'First name', 'Last name', 'Country or region of residence' (with a dropdown arrow showing 'Indonesia'), and 'Company (optional)'. Below these fields, there is a 'Next' button (marked with a red 'B') and a 'Verify email' link. At the bottom of the registration section, there is a 'Submit' button. The page also includes a disclaimer about the trial and a link to the IBM Privacy Statement.

Check your email inbox for a 7-digit verification code.

Enter this code into the Verification token field (A) and click Submit (B).

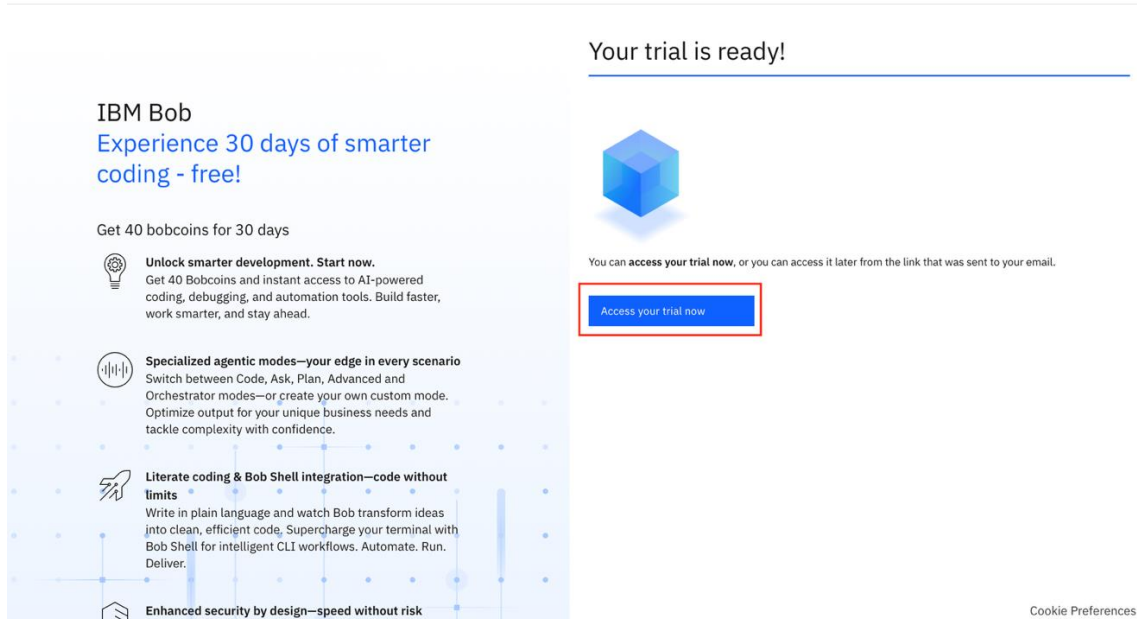

The screenshot shows the 'Register for your trial' page. At the top, there's a 'Start free trial with Google' button. Below it, a navigation bar has 'Account information' selected and 'Verify email' active. The main content area states: 'We emailed a 7 digit code to [redacted]@gmail.com'. It notes 'This code will expire in 30 minutes.' and shows a 'Verification token' field (A) containing '1234567'. Below this, it says 'Didn't receive the email? Check your spam filter for an email from ibmacct@iam.ibm.com.' and has a 'Resend code' link. There's a checkbox for 'I'd like IBM to use my contact details to keep me informed about products, services, and offers.' with a link to the 'IBM Privacy Statement'. At the bottom, it says 'I accept the product Terms and Conditions.' and a 'Submit' button (B).

A message will appear stating, "Please wait while we create your IBMid."

Once the process is complete, you will be directed to a confirmation page. Click "Access your trial now."

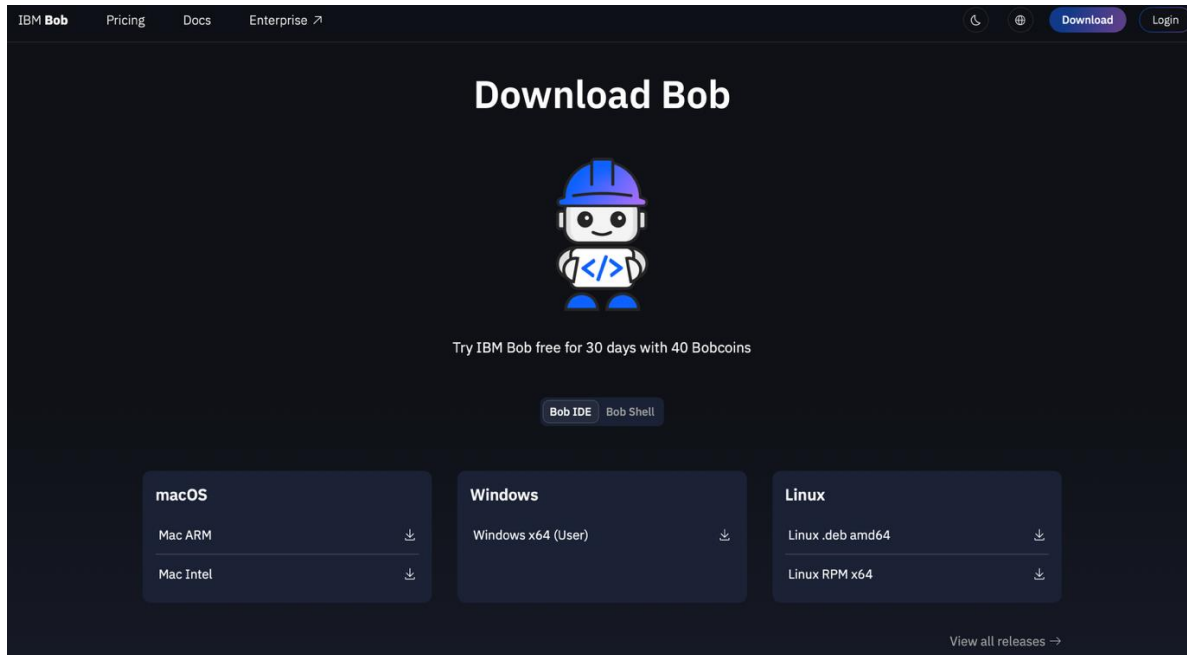

IBM

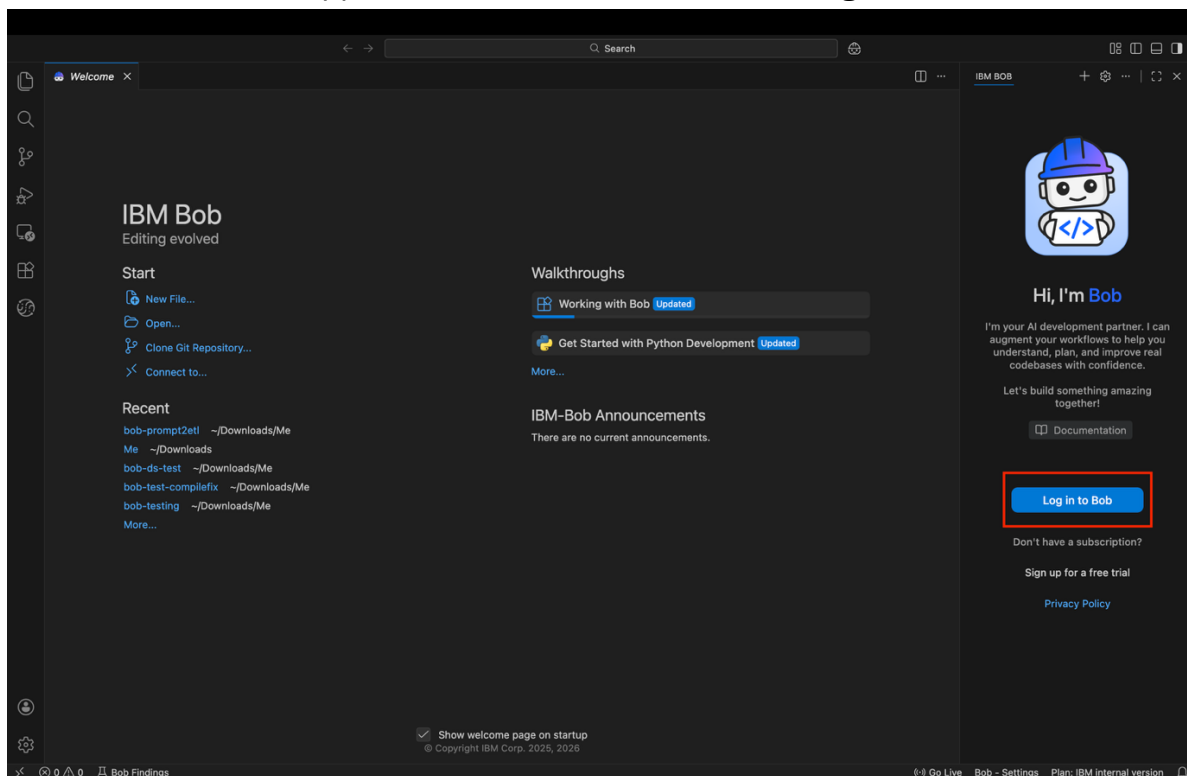

The screenshot shows the 'Your trial is ready!' confirmation page. On the left, under 'IBM Bob', it says 'Experience 30 days of smarter coding - free!' and 'Get 40 bobcoins for 30 days'. It lists three benefits: 'Unlock smarter development. Start now.' (40 Bobcoins and AI-powered tools), 'Specialized agentic modes—your edge in every scenario' (switch between Code, Ask, Plan, Advanced and Orchestrator modes), and 'Literate coding & Bob Shell integration—code without limits' (write in plain language and watch Bob transform ideas). At the bottom, it says 'Enhanced security by design—speed without risk'. On the right, there's a blue cube icon and the text 'You can access your trial now, or you can access it later from the link that was sent to your email.' Below this is a blue 'Access your trial now' button (highlighted with a red box). At the bottom right, there's a 'Cookie Preferences' link.

On the download page, select the installer compatible with your operating system (Windows, macOS, or Linux).

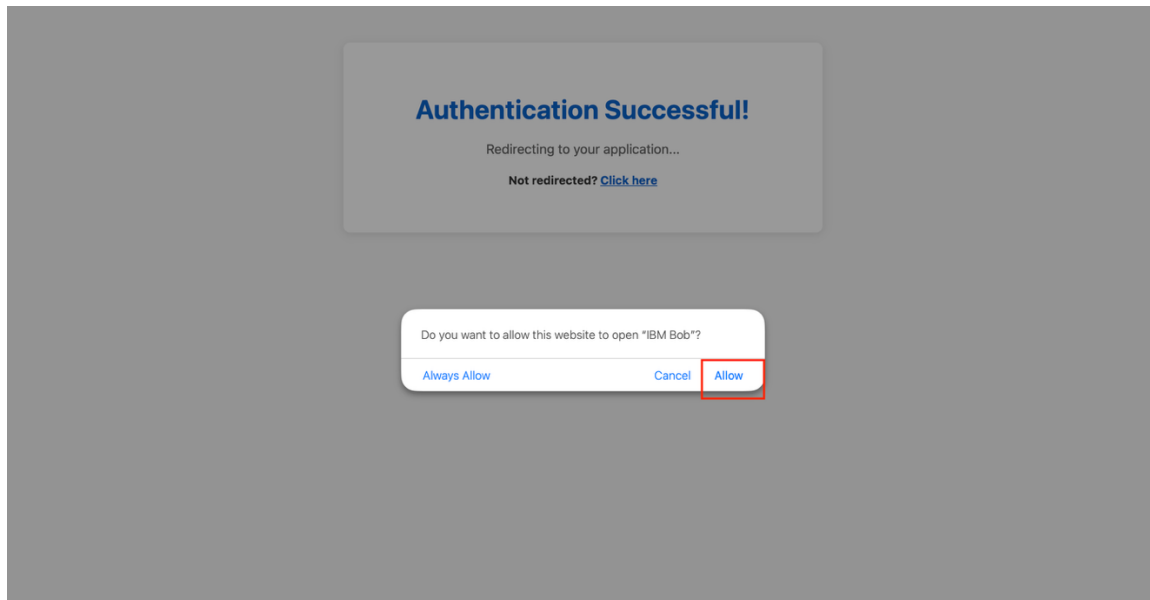

Follow the installation prompts on your device until the IBM Bob application is ready to open.

Launch the IBM Bob application. On the initial UI, click "Log in to Bob."

This will open your default browser (same browser with the free trial confirmation page). Once you see the "Authentication Successful" message, click Allow to be redirected back to the app.

Now that you are logged into the dashboard, locate the percentage icon (e.g., "100%") in the upper-right corner.

Hover over this icon to view your real-time token usage, remaining budget, and the days left in your trial period.
